Members not in attendance:

Butch Heiss (parent)

*The minutes for the March 2023 meeting were reviewed and approved. The motion was made by Lisa Hadley and seconded by Amber Whiting.

Staffing:

-Our school has hired two 3rd grade teachers to make a total of 3 teachers. One teacher is from Reedom Elementary School and the other is from Aggie Roberts Elementary School. We are currently still looking for (2) 5th grade teachers. At the moment there are two possible hires from Green Valley Christian School.

Summer Acceleration:

-Just about the entire Estes McDoniel staff will be working summer acceleration and there will be about 25 students per grade level. Our administration will consist of Kelly Han, who is joining us for the summer from Kenny Guinn Middle School and alongside her will be Stacie Farin.

*During the public comment period, a parent in the meeting expressed their concern with the change in staffing for the KIDS Pre-K program. The program currently has one teacher and two teacher aides and that will change to one teacher aide in the upcoming year.

*The motion to adjourn the meeting was made by Lisa Hadley and seconded by Ayah Lambiris.
